All prices subject to confirmation at time of ordering.
All prices subject to VAT where applicable.

Sani-Dry Mat Combination

(2 Mat System)

Our 2 mat system **cleans and disinfects the shoes** of customers entering your place of business.

The Sani-dry mat combination promotes impeccable hygiene in any occupational environment. The first mat should be sprayed as needed with a disinfectant, while the second mat will dry the shoes and keep facilities clean and safe.

- **Spray your disinfectant on the mat where indicated, just enough to make the mat feel wet on the touch**
- **Place the disinfectant mat before the wipe-off mat**
- **Keep the wipe-off mat dry so it can absorb the residual disinfectant solution from your shoes**

An ingenious solution which will work for all types of surface

Outdoor Rubber Mats

WEIGHT	THICKNESS	VARIATION
3600g PER SQ M	3mm SMOOTH BASE	+/- 5% IN SIZE

Perfect for outdoor use, as well as a variety of other applications such as industrial environments.

These mats feature photographic quality images that have excellent colour and brightness and reproduction of fine detail. The textured surface prevents slipping and scrapes dirt and grime off of shoes without affecting the image.

- **Photographic quality images printed on thermoplastic material**
- **100% UV resistant logo will not fade or wear off when exposed to sunlight**
- **Textured slip resistant surface effectively removes dirt and soil**
- **100% Nitrile rubber backing is chemical, grease and oil resistant**
- **Unlimited colours & graphics**

An ingenious solution which will work for all types of surface
