# COVID-19 Social Distancing Outdoor Cover

# Keep your customers safe and dry when queueing with these branded covers

## Parasol

These modern six panelled parasol with wooden stem is an ideal solution for covering customers as they queue outside your place of business, and open with a rib and pull cord system that allows for easy operation.

The panels are fully customisable with your branding, logo's or social distancing message.

# Gazebo

These gazebos are manufactured from a strong and reliable aluminium frame, with a polyester canopy, and numerous interchangeable side / wall options available, to create a bespoke gazebo perfectly suited to your needs.

The customisable roof and side panels have a massive area in which you can display your branding, advertising or social distancing safety message.

They are fully compactible into a carrier bag, and can be easily erected, weighted down with various bases if necessary or fitted with wheels for easy transportation.

Available in

**3m x 3m**  
**6m x 3m**

You can further enhance these gazebos with

- Full / Half Side Panels
- Full / Half Back Panels
- PVC Window Panels
- Zipped Door Panels
- Heating & Lighting

# Keep your customers safe with our branded cafe banner system

## Cafe Banners

Practical and perfect for any location and ideal for creating designated areas, whilst also promoting your brand or displaying a social distancing message.

The heavy duty, black steel frame and crossbars provide strength and durability, allowing for large full colour printed fabric barrier panels.

\* The printed PVC fabric banners are stitched to add strength and longevity, and along with the spring tensioning system, allows for limited movement preventing against tearing due to high winds.
